

THE FAIRY GOD FOUNDATION

STEPHEN M. WAYNE
EXECUTIVE DIRECTOR

December 9, 2008

Dear Friends,

The 2008 prom season was wildly successful for The Fairy God Foundation due to the generous continued beneficence of all of our donors. We are blessed to have such tremendous support from the community.

The Foundation is proud to have served Floyd County for the first time in 2008. A well-attended open house was held at the Mountain Arts Center in Prestonsburg, provided dresses for approximately 20 girls and was covered by WYMT-TV.

Students in Leslie and Perry counties were again served by the Foundation. An open house at Rockhouse Baptist Church in Hyden presented an opportunity for several young ladies to receive dresses.

We are indebted for your support and donations, which permitted the aforementioned accomplishments. Planning is underway to ensure that 2009 is as successful as this year.

As always, thank you for your furtherance of the Foundation.

Yours sincerely,

Stephen M. Wayne
Executive Director
